Real Estate Is Selling Rapidly In Cameron

Cameron real estate was selling rapidly and important purchases during the past week indicate a pattern of expansion for the city which is destined to isolate close in residence properties and spread out commercial activities, something that Cameron has needed for years.

Residence properties with business values have enjoyed tax immunities for years but with present trends this condition will be cleared up.

Notably among the recent deals is the purchase of properties on Highway 77 by Burks-Howard Company, implement dealers. They purchased the Jesse Brock property and are currently selling their original site property on North Fannin across from the City Park and abutting on Highway 77.

Prices for Cameron real estate are slightly inflated but on the whole are reasonable. Excessive prices on down town property are forcing building in the residence areas where a number of business buildings are contemplated.

The Burkes-Howard Co., found their downtown property too small as they intend to construct a large warehouse also.

Coleman Duncum, garage owner and Plymouth car dealer, has purchased the south corner lot in the Burkes-Howard block on North Fannin. It was understood that Mr. Duncum intends to build soon.

Grady Allen will make room on adjoining property to the Duncum purchase for a building to be erected for a new dry cleaning plant. Details are to be announced.

Nolan Dodson has purchased corner property on North Crockett from the Henderson estate and will construct a building. This lot faces west and is across the street from the ice station.

Mr. Henderson is placing the entire block west of the Stewart grocery facing east on North Travis and west on Crockett, on the market. This is ideal business property.

DRAFT OFFICIALS GET GOVERNMENT CITATION

Draft Board officials in Milam county have been awarded decorations and citations for having served for a period of two years or more since the passage of the selective service act in 1940.

Ceremonies were held for this area in Navasota two weeks ago. Those who attended from Cameron Local Board No. 2 were M. G. Cox, Appeal Agent for the Board and Mrs. A. J. Lewis, Chief Clerk of the Board.

Chas. E. Allday, chairman of the board, was ill and unable to attend. J. B. White, who resigned from the board in 1944, and who served for over three years as chairman, was unable to attend on account of illness. There were no members from Rockdale board in attendance.

Mrs. Lewis received the award for her late husband, A. J. Lewis, who was Appeal Agent for the Rockdale Board.

The decorations consist of a Medal and a beautifully engraved and colored certificate which is signed by General Louis B. Hershey, Director of Selective Service and President Harry S. Truman. The decorations are made by authority of the Congress which recently enacted a bill calling for this signal recognition of services performed during the war.

NEW LEGION POST FOR BUCKHOLTS

A new Legion Post with 40 members has been organized at Buckholts it was announced here Thursday by Emmett Streetman, 11th District Commander.

Organization was completed Wednesday night, and application for the Charter will be made. Joe Richter and H. B. McClellan were present for the organization.

Milam county will now have five American Legion Posts: at Cameron, Buckholts, Thorndale, Milano, and Rockdale.

Area Supervisor For Welfare Department Now Lives in Cameron

Marriett Heath, area supervisor for the Department of Public Welfare, has located in Cameron and now has offices in the Cameron Hotel building where the welfare offices are located.

Miss Heath was formerly located in Bryan but the District offices have been moved to Cameron.

The Public Welfare Department administers the Old Age Assistance law and generally supervises the work of fixing payments and filing claims.

TAX REMISSION HERE IN FLOOD AREA \$303,152

Austin.—Brazos River Conservation and Reclamation District, created by act of the Texas Legislature, has received \$3,090,732 in state tax remissions during the ten years ending Aug. 31, 1945, toward the retirement of its original bonds of \$3,600,000, it was revealed Saturday in a report by C. H. Cavness, State Auditor.

Tax remissions were made in ten counties constituting the watershed of the Brazos and were in the following amounts for the ten years from Austin County \$316,244, Brazoria \$756,475, Brazos \$141,796, Burleson \$156,198, Fort Bend \$725,456, Grimes \$150,348, Milam \$303,152, Robertson \$234,689, Waller \$136,159 and Washington \$170,215. The maximum each year was \$309,000 allowed by the Remission Act.

The district was financed with a grant of \$4,500,000 by the Federal Works Progress Administration and the proceeds of a state sponsored bond issue of \$3,600,000 with the annual tax grant of \$309,000 to retire these bonds. Only \$600,000 of bonds, 2S, are still outstanding. The bonded debt was reduced \$240,000 last year.

Revenues from the hydro electric plant, Possum Kingdom Dam, were \$254,083 last fiscal year and expenses of \$177,440. With other chargeable items deducted a net of \$12,117 was added to surplus. The district has one customer for its electric energy, the Brazos River Electric Co-operative, Inc.

An improved healthy condition continued, Cavness commented, with operating funds current assets of \$609,392 against only \$830 in accounts payable. Interest and sinking funds cash, investments and accrued interest totaled \$470,636 against bond interest and principal due of \$94,542. All investments are readily convertible into cash, Cavness found.

3 Families Lose All Possessions In Fire At Cameron Home

Three families, one that of a war veteran, lost all of their possessions here last week in a fire that destroyed their homes.

The home belonged to Mrs. Anderson, a widow, and was located on South College street. In the home lived Mr. and Mrs. D. T. Moody and Mr. and Mrs. Alfe Kelly. All contents of the home were destroyed leaving the families without clothing or furnishings of any kind.

Rev. P. L. Caperton was doing a good job Monday receiving clothing and cash donations. Anyone who wishes to contribute clothing or to make cash donations should go to the Caperton home at 703 South College or call telephone 481-J.

Rev. Caperton requested that anyone who will, may leave cash donations at the Herald.

When homes are destroyed and families lose all they have in the world, it is the best opportunity you will ever have to be generous and helpful.

Mr. Kelly is a returned war veteran. In addition to the loss of all his household goods, clothing, etc., he lost all the money he had saved.

These unfortunate people need help now. Cameron people have never failed in these emergencies.

ED. O. PAGEL RUNS FOR COMMISSIONER PREC. 1

Ed. O. Pagel, widely known citizen and farmer in Commissioner Precinct 1, is a candidate for the nomination for Commissioner of that precinct subject to the Democratic primary election to be held on Saturday, July 27, 1946.

Mr. Pagel enters the race with the advantage of the pledge of many to support his candidacy. Before he entered the race for the nomination many in the precinct had asked him to make the race. In consenting to become a candidate, Mr. Pagel expressed his appreciation for the interest shown by many voters and property owners in his candidacy and was happy to know that so many had pledged their active interest in his campaign.

In the coming weeks before election day, Mr. Pagel hopes he will have opportunity to meet and discuss his race with every voter in the Precinct. If this should be impractical he takes this means of asking for the vote and support of each one, pledging he will keep faith with all the people in all sections of the Precinct.

Mr. Pagel has been a resident of the Precinct for years and has been engaged in farming, owning and producing from his own land. His home is in the Yarrellton community where he owns a farm. During the years he has engaged in farming in that section he has been successful and his many friends and supporters point out that his success in his own business qualifies him to serve in the larger circle of responsibility which would be required of him as Commissioner for Precinct 1.

The Precinct Mr. Pagel hopes to serve is large and contains some of (turn to page five)

MRS. HELEN GRAY IS BURIED HERE WEDNESDAY

Mrs. Helen Gray of Cameron died early Tuesday in Seaton Infirmary in Austin.

Mrs. Gray had been taken to the Infirmary several days ago for treatment. She had been a resident of Cameron for the past 12 years, residing at the family residence on North Orchard street.

The body was returned to Cameron by the Green Funeral Home late Tuesday.

Mrs. Gray was 45 years of age and was the wife of W. V. Gray.

Funeral services were held at 2 p.m. Wednesday, February 20, 1946 from the chapel of the Green Funeral Home in Cameron with interment in the Blue Ridge Cemetery near Rockdale.

Dr. W. R. Newton Is Designated Physician To Treat Veterans

Dr. W. R. Newton has been designated by the Veterans Administration as a local physician to treat veterans who come under the medical care provided by the government.

Appointment of Dr. Newton as a designated physician and surgeon for the Veterans Administration was made several weeks ago and has just been announced.

Medical care for war veterans will become a major government concern in the months to come and the Veterans Administration is moving to provide every possible local care for returned veterans.

MRS. CELIA CLINARD DIED AT TRAVIS MONDAY

Mrs. Celia Clinard died at Travis Monday night, February 11, 1946, at 12:00 o'clock.

Mrs. Clinard was a pioneer citizen of Milam County and widow of the late Z. T. Clinard, mother of O. B. Clinard and several other children who survive. Mrs. Clinard was the daughter of the late Thomas Hilliard who was a veteran of the Mexican War in 1846.

Funeral services were conducted by the pastor of the Church of Christ at Rosebud. Interment was made in McCann Pioneer Cemetery near the public road from Rogers to Davilla.

Heart of Little Girl Broken Over Killing Of Little Puppy Dog

He was only a little dog, and he wasn't mine, but I loved him because he greeted me when I came from school. And every morning you would find him on the porch ready to go with daddy to his place of business, and then he would come home. When I had to go to town he went with me and would play on the way. I had taught him to jump upon me when I patted myself on the chest.

I'm only a little girl going to school, living on East Second street, but I know that all animals do things they don't mean in their mischievous play.

He was named Jack, and I'm sure he didn't mean any harm when he saw a little chick, and began playing with it. But in his play he killed the chick, and because of this he was killed by his master on February 14, 1946.

I was very hurt and daddy and the rest of the family was too. He was killed in a very cruel way by being hit in the head three times with a hammer, and once on the side of the neck with the axe.

I would have liked to have had the pup myself, but it is all over now and I cannot express my feelings of the man and of the love I had for the puppy, but God will see that the man pays for his act, and the puppy is paid for his love. By a little girl on East Second street.

FOOTBALL BANQUET ATTRACTS MANY HERE

Cameron takes its football seriously and last night at the local gymnasium paid homage to her stars who won eight games out of a schedule of ten and applause cracked away at the rafters for Coach Leo Jackson, popular mentor, who led the Yoemen for this year.

Some 300 fans and guests heard D. X. Bible, coach at the University of Texas, in an address as stirring and colorful as the great coach himself. Mr. Bible was introduced by Dr. Clifford Swift, member of the School Board.

Coach Bible said he was deeply impressed with the enthusiasm he found in Cameron for the support of athletics and a better school system.

As coach at Nebraska, Bible won the big ten conference just about every year and when he came to the University of Texas nine years ago, State was slowly passing out of the football picture in Southwest Conference. His Long Horns have won three conference titles and three Cotton Bowl games.

The program was climaxed with a motion picture of the Missouri-Texas game in the Cotton Bowl on January 1, 1946 which was the most spectacular game in the history of the Bowl.

Superintendent W. T. Hanes, as master of ceremonies, was never better and always excellent as public speaker. Mr. Hanes thanked the Lions Club and the Rotary Club for their joint sponsorship of the banquet.

Dick Young, one of the most popular athletic figures in Yoemen history, got a big hand for his presentation of visiting coaches. Mr. Young is line coach here and was a star for (turn to page four)

NEGRO ATTACKER IS HELD IN JAIL HERE

Jack Smith, negro, a discharged war veteran, who attacked W. M. Strickler, chairman of the Rockdale Draft Board recently, is in the Milam county jail.

Smith was arrested in Houston and given over to the custody of Sheriff Carl Black, who brought him to Cameron Wednesday.

Under the law the only charge would be assault. The negro attacked Mr. Strickler in his store after an argument over responsibility of the payment of soldier's unemployment compensation. The negro believed the Draft Board was responsible for his failure to receive a check from the government. Mr. Strickler was knocked down. The negro waving a hatchet, threw it at Mr. Strickler as he ran out the door. He was seized by some men on the sidewalk but escaped.

NEW 1946 DE SOTO IS ON DISPLAY IN CITY

The new 1946 DeSoto is being shown this week by the Duncum Motor Company, DeSoto and Plymouth dealers, and M. C. Duncum says, "It is packed from bumper to bumper with great new features."

Gyrol fluid drive with tip-toe shift, letting you drive all day without touching the clutch or gear shift lever... safe stop hydraulic brakes... safety rim wheels that give you proven blow-out protection... and streamlined smartness giving DeSoto a beauty that is absolutely new.

"Truly, the new DeSoto is everything you have waited for."

MRS. GEORGE WALLER DIED HERE SATURDAY

Mrs. George Waller died in Newton Memorial Hospital at 10 p.m. Saturday, February 16, 1946.

Mrs. Waller had been gravely ill for some time and had been a patient in the hospital for several days prior to her death. Her husband, George Waller, former Cameron banker, is also ill in the hospital.

Before her marriage Mrs. Waller was Miss Bessie Hefley, the daughter of the late John M. Hefley, founder of the First National Bank. She was a cousin of the late Henry M. Hefley, President of the First National Bank who died in December 1945. Mrs. Waller's mother was the daughter of the late Rev. J. N. Bradshaw of Covington, Georgia who was a niece of two governors of Tennessee, John C. Brown, and Neill S. Brown.

Mrs. Waller was born and reared in Cameron. She attended the Ward-Belmont College in Decatur, Georgia and the Agnes Scott College in Decatur, Georgia. She married George Waller of Martinsburg, Va., a child daughter preceded her in death. Mrs. John M. Hefley, mother of Mrs. Waller, was a charter member of the Presbyterian church in Cameron.

Mr. and Mrs. Waller lived in Dallas for 15 years prior to moving to Cameron. They acquired additional stock in the First National Bank and Mr. Waller became cashier where he served for a number of years until his health became impaired and he was obliged to retire. They are property owners in the city, owning a number of business buildings.

Mrs. Waller has been in declining health for several years. During recent months her devotion to Mr. Waller was a severe strain upon her strength but she continued to the day of her death a helpful and considerate devoted wife. Mr. and Mrs. Waller (turn to page four)

PAUL WEBB, FORMER ATTORNEY HERE, DEAD

Paul Webb, former attorney and city official in Cameron is dead.

Mr. Webb died at his home city of Morehead City, North Carolina in early December, according to information received by friends in this city.

Mr. Webb came to Cameron in 1920 and remained here for about 10 years. He was City Attorney. Early in his residence here he was interested in oil development.

Mrs. Webb, who was a music teacher, died several years ago. Mr. Webb had married again and is survived by his widow and one daughter, the former Miss Sue Griffin Webb.

August Kunz is Host At Chicken Supper For C. of C. Directors

August G. Kunz, member of the Board of Directors of the Chamber of Commerce, was host at a chicken supper to the directors last Tuesday night.

Mr. Kunz was recently nominated for Alderman on the City Council. He has served with distinction as a member of the Board of Directors and tendered the directors a chicken supper which was enjoyed in the offices of the manager.

Following the supper directors held their monthly meeting and transacted business. Plans were discussed for the coming banquet to be held on March 12 with Bob Calvert of Hillsboro as principal speaker.

C. S. RANEY RUNS FOR COMMISSIONER PREC. 1

C. S. Raney of Buckholts, is a candidate for Commissioner of Precinct 1, subject to the Democratic Primary election to be held on Saturday, July 27, 1946.

Mr. Raney enters the race for the nomination with the support of many voters over the Precinct. He was widely solicited by tax payers and property owners to make the race and in his formal announcement said he wanted to express his appreciation to those who have pledged their support and is very grateful to friends who have indicated their intention to help him actively in the campaign.

Mr. Raney was born and reared in the Buckholts community and is 46 years old. He has been an official of the AAA since 1934 and two years of that time he was a member of the county committee.

Mr. Raney is married and has four children, two of his sons being in the armed services, Buck Raney in the United States Navy and stationed at San Diego; and Jimmy Raney in the United States Army and stationed at Fort Sam Houston. Mrs. Edward O. Schiller, Jr., of Cameron, is his daughter.

Mr. Raney has served 10 years as a school trustee, 6 years in the Fox community and 4 years in Buckholts. He has been Deputy Tax Collector in Precinct 6 for 12 years. This precinct includes the voting boxes of Buckholts and Sandy Ridge.

For the past 22 years Mr. Raney has been engaged in farming. In his public activities he has had a wealth of experience and his friends point out that he possesses many qualifications that recommend him as a candidate for the office of Commissioner.

During the campaign Mr. Raney hopes to see each voter and discuss the race and to ask for their vote and support. In case he does not see each one, this is his personal appeal for your vote and influence.

Mr. Raney is conversant with the needs of the precinct, knows property values and would be able to begin his work without delay or interruption. He has good plans for serving the people and is asking for their support based upon his qualifications and his pledge to serve them to the best possible advantage in every way.

HALEY STORE TO OPEN HERE MONDAY FEB. 25

Haley's men's and ladies' ready-to-wear and dry goods store, Cameron's largest merchandising development of the new year, will formally open for business on Monday, February 25, 1946 at 9 a.m.

The store is located in the building formerly occupied by the Price and Rationing Board. This building has been refitted for the store and when it opens Monday will be one of the most attractive stores in the city.

This store is operated by Cameron people and for the opening is featuring many hard to get items. The ownership of the store enjoys buying advantages which have enabled it to stock many items which other stores have found hard and some times impossible to buy.

A complete story coverage of the personnel of the new store will be printed next week. The store will open Monday with a large stock.

John Flemming of Rockdale transacted business in Cameron this week.

ROCKDALE ROBBERY NETS THIEF \$400 IN CASH

Officers have made no arrests in connection with the robbery of a Rockdale Garage Tuesday night.

The thieves took \$400 in cash and Buck Henry, owner of the garage, said \$73.00 of the money belonged to the Lutheran Church.

State department operators were on the job and Sheriff Carl Black had visited the scene of the robbery. Mr. Henry indicated he thought the robbery was committed by someone who knew his way around in the garage as the safe had been opened and the cash drawer unlocked with a key and the key replaced in a drawer where it was kept.

MOTOR VEHICLE OWNERS URGED TO CHECK TITLES

AUSTIN, FEB. 12. — The Motor Vehicle Division of the Texas Highway Department today urged all Texas motor vehicle owners to see that the titles for vehicles to be registered in 1946 are in order. The law provides that before a vehicle may be registered, the owner must present to the Tax Collector the prior year's registration receipt and must have a title.

Many people do not understand the importance and value of the Title Act, and do not realize that the Certificate of Title Act was passed to improve the validity of titles on motor vehicles thereby making such title comparable to an abstract on real estate.

Motor vehicle owners who have acquired used vehicles, and who have received assigned titles from the previous owners, are urged to apply at once for their titles in order that the transactions may be recorded and the new owners shown on the title records of the Department. Motor vehicle owners are also urged to register their equipment by purchasing the 1946 license plates as soon as possible. It is common practice throughout the State for owners to wait until the last week in March, thereby creating congested conditions and long lines of applicants in the various Tax Collector's offices. The County Tax Collectors are experiencing difficulty in obtaining temporary help, and you will be helping them and yourselves by obtaining 1946 license plates during February or in the first part of March and not waiting until the last day or days.

There are some persons operating motor vehicles with Out-of-State license plates who may legally operate under 1946 Out-of-State license plates and these persons are cautioned to obtain such 1946 plates and apply same on or before the expiration of their present plates. There are others operating motor vehicles with Out-of-State license plates who must legally re-register in Texas, and these persons are advised to purchase Texas plates immediately to avoid having to pay a penalty in addition to the registration fee.

Particular attention of the owners of trucks, truck-tractors, trailers, semi-trailers and buses was called to the fact that they must be prepared to furnish the Tax Collector with a complete description as to the size, type and serial number, et cetera, of equipment to be registered, and must

be prepared to register for the actual weight of the empty vehicle plus the heaviest load to be carried, which under the law cannot be less than the manufacturer's rated carrying capacity. If in doubt as to the actual weight, the owners of commercial vehicles should have them weighed and present the weight certificate at the time of registration.

Surplus Farm Land Returns 5,257 Acres to Farming Production

The first sale of surplus Government owned farm land has returned 5,257 acres in Illinois to agricultural production, the Surplus Property Administration has announced. The land had been acquired by the Government as the sites for two ordnance plants, a radar school, and a subsistence homestead project.

Sold by the Farm Credit Administration of the Department of Agriculture, the disposal agency for such property, the land brought 86 percent of the acquisition cost. Approximately 40 farms, comprising some of the best farm land in the State, were involved in the sale.

In the sale, the majority of former owners exercised their rights under the Surplus Property Act, which directs that real property be offered to former owners, if Federal, State, and local governments fail to exercise their priorities. Arrangements are being made to turn the land over to the purchasers for spring planting. It is hoped that much of the agricultural land in Texas can be likewise handled in the very near future.

Egg Grading School At College Station To Train Personnel

There will be an egg-grading school at College Station February 26 and 27, according to information received at County Agent R. B. Tate's office.

The purpose of this school is to train personnel to grade eggs in accordance with the U. S. grades. This will be an aid to them in the Government Egg Purchase Program as well as increase their general knowledge on this subject. A copy of the two-day program may be had by calling No. 768, the County Agent's Office.

COTTON STOCKS LARGEST

World cotton stocks are the largest on record, amounting to 26.5 million bales at the end of July, according to the United States Department of Agriculture's Office of Foreign Agricultural Relations. This total compares with 26.1 million bales in 1944, 24.1 million bales in 1943, and 22 million bales in 1939.

Former privates with at least six months of honorable service will be automatically promoted to private first class upon reenlistment in the Regular Army within three months after discharge.

Army Education Factor To Maintaining Atomic Age Leadership

"Army education might well be one of the contributing factors to an educated Army and Reserve which will be able to maintain our leadership in this atomic age," Colonel Jean Edens, District Army Personnel Procurement Officer, stated today.

Elaborating further Colonel Edens added that "USAFI is a word which is becoming familiar to every soldier. It is formed from the first letter of the words: United States Armed Forces Institute which has become the worlds largest school. More than two hundred courses are available to soldiers through this institution, including vocational high school and college level subjects. In addition to the subjects offered directly by USAFI it has made the extension divisions of eighty five colleges and universities available to the soldier," Colonel Edens added.

"The courses available to soldiers through USAFI are of three types. Correspondence courses, self teaching courses and standard school text books for class use when a group of soldiers desire to study the same subject. In the first two types mentioned the soldier pays an initial registration fee of two dollars only for his first course. Thereafter he can take as many courses as he desires without further cost so long as he does satisfactory work. In the third type, class groups, books may be requisitioned by Army Education Officers, competent instructors obtained all without charge to the soldier. The civilian college or university correspondence courses are made available to the soldier through USAFI at one half the regular price. As a result many soldiers are learning vocations such as air conditioning, refrigeration, welding, construction trades,

radio repair and many others. Other groups are completing the necessary work to get their high school diplomas while still others are completing subjects toward college degrees.

"Camp Swift has a large number of such classes in operation under the immediate supervision of Captain Seerest, Post Information and Education Officer. High school credit is obtained through the Bastrop High School for high school level subjects and on college level courses credit is obtained through the University of Texas where the student passes the university examination on subjects completed. Brooke General Hospital at Ft. Sam Houston is conducting similar classes. In fact, at all Posts, courses in class groups are being held or correspondence courses are available to the individual soldier.

"In addition to USAFI courses many Army schools are conducted to train soldiers in their jobs. Most civilian schools grant certain credits for courses completed in this type of school according to a definite plan approved by the National Association of School Principals and set out in Tuttle's hand book of school credits re-

commended," Colonel Edens concluded.

MORE CATTLE ON FEED

A recent survey of livestock feeding showed that seven percent more cattle and 25 percent fewer lambs are on feed than a year ago. In fact, the total number of cattle fed this season may be close to a record.

Staff Sgt. Wilson W. Killen, husband of Mrs. Alice H. Killen of Cameron, has returned to the States aboard the USS Funston which is one of the hundreds of Navy attack transports which operated as key ships in U. S. Amphibious invasions of Japan.

WOMEN! WHO SUFFER FIERY MISERY OF HOT FLASHES

If the functional "middle-age" period peculiar to women causes you to suffer from hot flashes, nervous tension, irritability—try famous Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. Pinkham's Compound is one of the best known medicines for this purpose. Also a grand stomachic tonic!

Carol Ann Vaughan Celebrates Birthday

Carol Ann Vaughan, little daughter of Mr. and Mrs. Roy Vaughan, celebrated her second birthday on Wednesday, February 13, 1946.

A group of little friends gathered at the home of her parents, where from seven o'clock until nine in the evening they enjoyed playing games and presented the little honoree with many beautiful and useful gifts.

At the conclusion of an enjoyable evening cake and ice cream were served.

Word was received late Wednesday by Mr. and Mrs. W. L. Shuffield that their son, Pfc. Archie W. Shuffield, had landed in New York and that he would receive his honorable discharge at Camp Fannin. Pfc. Shuffield served 22 months in the European Theatre with General Patton's Third Army.

Louis J. Matula SK2c will arrive home this week after serving in the Pacific for 18 months. He is the son of Mr. and Mrs. F. C. Matula.

Mr. and Mrs. Fred Lane and son of Houston spent the past week end with Mrs. Lane's parents, Mr. and Mrs. J. M. Terry of Cameron.

Ladies' Aid, Women's Union Hold Joint Meet

The Ladies' Aid and Women's Union of St. James, Vogelsang, held a joint meeting last Sunday afternoon. Mrs. Willis Vogelsang presided over the business session while members of the Ladies' Aid gave the program.

Mrs. W. M. Kohring gave the opening prayer. Mrs. Augusta Pimpler read the Scripture: Ephesians 4:1-6. Meditation: People meeting in Christ trend in union.

Rev. Kalkbrenner gave the topic discussion, "People Meeting in Christ" Both business sessions were held separate.

The next meeting will be held the first Sunday in March with the Women's Union giving the program. Mesdames Herman Dorner and Eddie Miller were hostesses. Members are asked to please bring your old clothes for the people in war-torn Europe and leave with Mrs. O. S. Collins.

Mrs. William Henderson of Waco, is visiting her daughter, Mrs. C. W. Bradbury and family.

CARD OF THANKS

We are grateful for the kindness of neighbors and friends during the recent illness and death of our dear mother, Mrs. Joan Alford.

We especially wish to thank Dr. Swift and Dr. Shapero for their kindness and faithful effort.

In this hour of sorrow, many came with words of sympathy that helped to bear our burden.

We wish to thank the men who helped at the cemetery.

Mrs. Dan Thweatt
Will Alford,
John Alford,
George Alford,
Mrs. W. M. Pond,
Mrs. A. Purswell.

Mr. and Mrs. Joe B. Anderson have just returned from a visit to El Paso and New Mexico. They visited Mr. and Mrs. Louis Anderson in El Paso, and while in New Mexico they visited Carlsbad Caverns. They reported a wonderful trip.

Philip Hubnik of Marek visited in Cameron last week.

From where I sit ... by Joe Marsh

Bird's-Eye View of America

A fellow took an aerial photograph of our town, and it makes the place look like Utopia.

Folks argued that the new firehouse would never look well beside the old Town Hall. But they harmonize perfectly from the air. One side of the railroad tracks looks as good as the other. All the different landmarks blend in nicely with surroundings.

From where I sit, there's a lesson in that photograph. A community's made up of different elements—people as well as landmarks. Some

vote one way, some another; some enjoy a glass of beer and others don't. You might think there was a lot of reason for friction.

But it's all in your point of view. Get up high enough—see the community as a whole—and those little discords blend together into what we call America—a free, harmonious land. The differences only look big to people who see them from too close!

Joe Marsh

New circuits for Long Distance

Most long distance calls—about 7 out of every 10—are going right through. Some are delayed because we are short of circuits. There aren't enough to handle the enormous number of calls now crowding the lines.

New wire, new cable, new equipment of all kinds is now becoming available to us. As fast as we can install it, more and more calls will go through while you hold the line. But if now and then your call is delayed, you'll know the reason why.

HOUSE PAINT

• A "self-cleaning" paint developed by skilled chemists

You'll be genuinely proud of your home—after it wears a coating of Du Pont "self-cleaning" White House Paint because it stays white. The reason it stays white is because its high-hiding pigments combine with other ingredients to cause a chemical "self-cleaning" process. Ask us for further details. Then, too, its excellent spread per gallon and its fast application stretch your money farther. You'll be proud because you get a brilliant white, top-quality job and it will cost you no more.

Christian Science Broadcast to Feature Solo Sunday Morning

An adaptation of Handel's "Largo" will be sung as a solo by Robert Hall Collins on the Christian Science transcribed program which will be broadcast over Station KTHR, Houston, on Sunday morning, February 24, 1946 at 9:45. Mr. Collins will be accompanied by Ruth Barrett Arno on the organ of The First Church of Christ, Scientist, in Boston, Massachusetts. This organ comprises 76 stops and more than 5,000 pipes. The Honorable Mrs. Hay (Violet Spiller) of London, England, wrote the words of the solo, entitled "Oh, May My Voice."

Clarkson H. D. Club Holds Regular Meeting

On February 14th the Clarkson H. D. club met without the agent in the home of Mrs. John Wimberly. The meeting began with recreation in which Mrs. Emil Skupin was the winner.

Six members answered roll call with "unusual uses of a zipper." We were happy to have three visitors, Mrs. Frances Mitchell, Mrs. Douglas Crook, and Mrs. George Dodd. The latter two joined the club.

For our program Mrs. Emil Skupin gave instructions on sewing on buttons correctly. Mrs. Milton Lemke followed with "How to Make a Placket" and Mrs. John Wimberly showed how to sew in a zipper.

After the meeting adjourned the hostess served sandwiches, pickles, potato chips, cake and hot cocoa.

Our next meeting will be with Miss Johnson in the home of Mrs. Joe Hauk on March 7th.

Mrs. M. Lemke, Reporter.

Hemovitamer

SPECIAL HEALTH CLINIC

Beginning Tuesday, February 26th, and continuing Through Wednesday, February 27th

Do You Want Better Health?

If you aren't feeling up to par, if you are really ill, if you have searched everywhere for relief without success... Let science help you out.

Here's a brand new, scientific, almost magic radionic discovery that aids in finding the cause responsible for your trouble. You will know what your trouble is and how to correct it. Your blood pressure will be taken. Your heart and lungs will be examined. There is no pain, no surgery. You will be checked for dietary deficiencies and told what they are. You get a REAL physical examination scientifically—with the Hemovitamer.

Dr. M. Y. Lewis, expert technician with the Hemovitamer Co., Denver, Colorado, will be here for this special scientific clinic.

newspaper support for the athletic program. The trophy was won by the Taylor Ducks in 1945 and will be presented at Taylor High School. Due to war demands for these types of metal the trophy has not been delivered by the W. A. Holt Company of Waco.

Coach Leo Jackson introduced the big Yoemen family — the A, B. and junior squads and also the following lettermen: Russell Wallis, Pete Kunz, George Hollis, Richard Burke, T. J. O'Neill, Edwin Laywell, Lawrence Michalka, Jimmy Marek, Charles Duncan, Eugene Salach, Alvin Gerick, Joe Hawkins, Dwight Price, Jimmy O'Neill, Paul Burke, Bruce Price, Bob Kirk, Richard Williams, Gillis Graham, and Olen McLarren. Charles Riola and Earl McDonald were also given letters.

Jimmy O'Neill, co-captain of the A squad, presented gifts to the three coaches, Leo Jackson, Dick Young, and E. E. Geer.

Chas. M. Hicks, county superintendent, gave the invocation. The banquet was served by Bever's Coffee Shop.

MRS. WALLER (continued from page one)

were both in the hospital at the time of her death. Mr. Waller's condition is so grave he had not been told of his wife's death.

Funeral services for Mrs. Waller were held at 3 p.m. Monday, February 18, 1946 from the home of Mrs. H. M. Hefley where the body was taken late Sunday from the Marek-Burns Funeral Home.

EXPERT DESIGNING

Gives Each New Freedom Gas Kitchen a
Feeling of Spacious and Roominess

FIRST CHOICE of New Home Planners

Study the design of the New Freedom Gas Kitchen above and you'll see why it is in a class by itself.

While small and compact, the kitchen is so expertly designed that it has the feeling of spaciousness. Its three work centers—preparation, cooking and clean-up—are located and spaced to save steps. There is plenty of storage space and adequate work surfaces. And right in the middle of this lovely kitchen is the preferred cooking appliance—the automatic gas range. In your remodeling or new home plans be sure that whatever "make" range you buy, around which to build your New Freedom Gas Kitchen, carries the CP seal. Then you'll know it has all the best features of dozens of ranges combined into one.

Secure
Early
Delivery

New gas home appliances are now on display in many dealers' stores. See them. To secure early delivery place your order now.

LONE STAR GAS COMPANY

Veteran's Offices Open Here Now

Darwin S. Holton, representative of the Veteran's Administration is now in Cameron and has begun his work.

Mr. Holton will occupy offices in the Cameron Hotel building now being vacated by Government Employment Offices.

Furniture for the new offices will arrive next week and Mr. Holton will also have a secretary to be locally employed. Mr. Holton is from Thornton, Texas and a recently discharged Veteran, having completed the courses prescribed to qualify for this place.

Master Sgt. Adolph A. Horelica has been transferred to Barksdale Field, Louisiana. He and Mrs. Horelica have quarters at 404 Davis Ave., East Barksdale Field.

Dr. Gus Evans, Jr. will return to Cameron Friday, after attending an Optometric meeting in Fort Worth for several days. Dr. Evans is associated with his father in Cameron and will make his home here.

Mrs. Anton Ermis from Corpus Christi visited relatives and friends around Yarrleton and Cameron.

Mr. and Mrs. Charlie Barrett of Corpus Christi visited friends and relatives in Yarrleton and Cameron.

Joe Luce was a business visitor in Houston recently.

PAGEL

(continued from page one)

the best farming lands in Central Texas. The Precinct demands better roads and Mr. Pagel hopes to give them and to distribute the tax money in all sections so that no section will be neglected and all may benefit from taxes paid.

Mr. Pagel realizes the responsibility he is proposing to assume in the event of his election but feels that his experience and his knowledge of the people and the needs of the Precinct will enable him to proceed at once to render the maximum of service. He pledges his every effort to achieve all possible good results for the people of his Precinct.

Mr. Pagel urges his friends to lend their active support to his campaign and he assures all the people they will have no cause to regret his nomination in July.

Singing Convention at Salty

Milam county singing convention met last Sunday at Salty. A good crowd attended in spite of bad weather. Many good singers from over the country were present. Officers were elected, naming Clarence Jackson and J. D. Turney to serve again.

The next singing convention will be held on the Third Sunday in May at Davilla.

Thomas E. Brashear, PHM3c has been honorably discharged from Naval service at Camp Wallace Separation Center. Mr. Brashear returned from service in the Italian Theatre of Operations. He is now at home with his parents, Mr. and Mrs. Womack Brashear.

Amazing Discovery in a hearing aid

A big improvement has been made in a hearing aid now welcomed by thousands. It is a new hearing aid that does not require separate battery pack, battery wire, battery case or garment to bulge or weight you down. So small it fits the palm of the hand. About half the weight and bulk of most hearing aids. The tone is natural, noiseless, clear and powerful. The makers of Beltone are so proud of their achievement that they have arranged for their representative, Beltone Co. at 1610 North Sixth St., Waco, Texas, to send you a free descriptive booklet and explain how you may get a full demonstration of this remarkable hearing device in your own home without risking a penny. Write them today. (43-4tc)

RESOLUTION AND ORDER OF ELECTION

WHEREAS, the Ordinances of the City of Cameron, Texas require the holding of a regular annual election of officers for the said City of Cameron, Texas, for the years beginning in April, A. D., 1946:

THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CAMERON, TEXAS:

THAT a general election be held in the said City of Cameron on the second day of April, A. D., 1946, the same being the first Tuesday in said month, for the purpose of electing the following officers, to-wit:

Mayor of the City of Cameron.
Secretary & Treasurer of the City of Cameron.

Assessor and Collector of Taxes of the City of Cameron.

City Attorney for the City of Cameron.

Marshal of the City of Cameron.

Two Aldermen of the City of Cameron, to succeed Aldermen Roy Griffith and E. O. Schiller, whose terms of office expire on said date;

each for the two-year term ending on the first Tuesday of April, 1948; and it is hereby so ordered.

SAID ELECTION shall be held at the City Hall (the old Cameron State Bank Building) in the City of Cameron, on said 2nd day of April, 1946, and the following named and designated persons are hereby appointed managers of said election, and for all other elections which may be held in said City of Cameron during the year

Dr. Robert Titsworth

GRADUATE LICENSED
VETERINARIAN

Office back of AAA office

Residence telephone 38
TELEPHONE 214

1946: D. H. Slaughter, Presiding Judge, and such other assistants and clerks as shall be appointed by said D. H. Slaughter to assist in holding said election, or elections, in accordance with the laws governing in such cases. The manner of holding said election shall be governed by the laws of the State of Texas regulating general elections.

A COPY OF THIS RESOLUTION AND ORDER, signed by the Mayor of said City of Cameron, shall serve as a proper notice of said election; and the Mayor is hereby directed to cause notice of said election to be posted at the place designated for holding said election and to be printed in the Official Organ of the City of Cameron, or other newspaper printed in said City, for at least thirty days prior to the date of said election.

Offered by Alderman Bob Terry.

PASSED by unanimous vote at a regular meeting of the City Council of the City of Cameron, Texas, on Tuesday, the 5th day of February, A. D., 1946, the same being the first Tuesday in said month;

AND APPROVED February 5th, A. D., 1946, by

CHAS. C. SMITH, Mayor of the City of Cameron, Texas.

ATTEST:
DAN TYSON, Secretary and
Treasurer, City of Cameron, Texas.

ACTS ON THE KIDNEYS

To increase flow of urine and
relieve irritation of the bladder
from excess acidity in the urine

Are you suffering unnecessary distress, backache, run-down feeling and discomfort from excess acidity in the urine? Are you disturbed nights by a frequent desire to pass water? Then you should know about that famous doctor's discovery — DR. KILMER'S SWAMP ROOT — that thousands say gives blessed relief. Swamp Root is a carefully blended combination of 16 herbs, roots, vegetables, balsams. Dr. Kilmer's is not harsh or habit-forming in any way. Many people say its marvelous effect is truly amazing. Send for free, prepaid sample TODAY! Like thousands of others you'll be glad that you did. Send name and address to Department D. Kilmer & Co., Inc., Box 1255, Stamford, Conn. Offer limited. Send at once. All druggists sell Swamp Root.

Loretta Polansky And James Brock Married In Church Ceremony

Miss Loretta Polansky, daughter of Mr. and Mrs. Frank Polansky, and James A. Brock, son of Mr. and Mrs. Jess Brock, were married at St. Monica Catholic church Monday morning at 9 o'clock. The Rev. George Duda, read a double ring ceremony and the nuptial mass at the sanctuary where tall baskets of cala lilies were used for decoration.

The bride, given by her father in marriage, was gowned in white slipper satin designed by her mother, and wore a three-tiered veil of silk net caught at the crown with a tiara of orange blossoms. The dress was fashioned with a yoke of marquisette finished with a ruffle of fagotted silk and Venetian lace. Tiny buttons were used down the back of the long fitted bodice and at the wrists where a ruffle finished the pointed wrist design. She carried a pearl rosary and a bouquet of Roman hyacinths and pink camellias showered with satin ribbons and tulle.

Marjorie Blaylock, as maid of honor, Carolyn Brock, sister of the groom and Linda Perkins, as bridesmaids, wore pastel net frocks over taffeta with matching hats and mits, and carried bouquets of acacia and tulle. John Summer Batte served as best man. Morris Eplin and Raymond Vykulak were groomsmen. Adolph Feleman and J. F. Polansky were witnesses, and Bobby Hayes and Dennis Kubeka served as ushers.

A reception honoring the couple was held at the home of the bride's parents following the ceremony. They will make a wedding trip to Monterey and other points of interest before returning to Paris where they will make their home.

The bride chose for traveling a light green gabardine suit with brown accessories and a corsage of pink camellias.

Both the bride and groom were reared here and are members of well known Cameron families. The bride had served as secretary of County Judge Jeff T. Kemp for the past three years and the groom, employed by the Texas Power & Light company. He served with the infantry in the army and attended the University of Texas after finishing high school here.

Former commissioned officers may enlist in the Regular Army as master sergeants within three months after release from active duty and before July 1.

Victim Of Ship Channel Explosion Buried At Sharp

ROCKDALE, Feb. 11.—Funeral services were held Sunday for William Reed Duncan, 44, one of five victims of an explosion on the ship channel near Houston last Wednesday. He died Thursday in a Pasadena hospital.

Mr. Duncan had lived in Houston for a number of years but was born and reared near Rockdale. Services were conducted at Sharp church by Rev. C. W. Sanders, pastor of the Baptist church at Cameron and burial was made in the Sharp cemetery.

Survivors are three children, Miss Wanda Louise Duncan of Santa Monica, Cal., William Barkley and Donald Ray Duncan of Galveston; his mother, Mrs. Josephine Duncan of Rockdale, three sisters, Mrs. Lillian Garner of San Gabriel, Mrs. Ruth Caffey of Rockdale, Mrs. Lucille Bartlett of Alvin and a brother Dallas Duncan, of Temple.

Cameron District of Lone Star Gas Makes Perfect Safety Record

A perfect safety record representing 100,080 hours of company operations during the past five years without a disabling injury has been established by Lone Star Gas Company's Cameron district of distribution, J. R. Bush, district manager, has been advised by A. W. Breeland of Dallas, safety supervisor for Lone Star. The Cameron district is one of the 64 Lone Star units credited with perfect safety records ranging from one through 17 years as of December 31, Mr. Breeland pointed out.

A framed certificate for this outstanding accomplishment in the field of safe operations will be presented the district at the first regular employee safety meeting in 1946. It will bear the signatures of D. A. Rulcy, Lone Star president; Chester L. May, vice president in charge of distribution, and L. B. Denning, Jr., operating manager for the general division of distribution.

In addition to Mr. Bush, district employees are Jesse L. Culpepper,

Jack E. Stidham, Frank J. Polansky, John W. Clark, John H. Wilson III, Ava G. Boone, Frances E. Watson, Imogene Steele, William B. Burkeen, James M. Coywood, William R. Crosby, Grady Fikes, W. T. Gaun, Alton J. Green, Earl H. Knight, Jessie J. Martin, Arthur B. McLane, Jesse A. Moore, Eugene H. Mullinax, W. P. Prescott, John T. Raney, M. W. Whittington and A. J. Woodrum. The Cameron district includes Buckholts, Cameron, Rockdale, Rogers and Rosebud.

"Our safety record is a result of Lone Star Gas Company's constant program of training personnel in the importance of safety in their lives and in the lives of the men, women and children they serve in performing company operations," Mr. Bush said.

The Cameron district is in the Waco division of distribution of which A. P. Rowland is superintendent

Mr. and Mrs. Will T. Morgan observed their Golden Wedding Anniversary at their home in West Cameron, where they have been living for nearly fifty years. Friends called on Sunday to wish for them happy returns of the day.

The Yarrington 4-H Club girls had a Valentine Party Wednesday night at the home of Mrs. Arnold Jungman. Many games were played and the Valentines were handed out. Refreshments were served. Everyone reported an enjoyable time.

Mrs. Jim C. Barrett is improving from a severe case of the flu.

Dari Ann says

Do you know many fine commercial candies are made with evaporated milk? But in all cooking, you can only have the best results if you use the best ingredients. That's why I always use DARICRAFT evaporated milk when I want to be sure of a success with candies. DARICRAFT produces an even grain, and a perfect moisture content which helps keep candies fresh much longer. Everyone's favorite is Fudge, and here's my DARICRAFT recipe.

Chocolate Fudge

2 cups sugar
1/2 teaspoon salt
2 ounces (squares) chocolate or 8 tablespoons cocoa
1 cup DARICRAFT evaporated milk
2 tablespoons butter
1/2 teaspoon vanilla

Cook sugar, salt, chocolate and DARICRAFT slowly until sugar dissolves; then rapidly to soft ball stage, stirring often. Cool, add butter and vanilla. Beat until thick. Turn on buttered plate and mark.

When you use DARICRAFT evaporated milk in cooking, drinking, for whipping, or for the baby's food, you can be assured you are using a quality product. Every can of DARICRAFT carries the seal of acceptance of the Council on Foods and Nutrition of the American Medical Association.

DARICRAFT is made from whole milk, homogenized, sterilized, and fortified with Vitamin D. Why not get a supply today at your grocers? The minute you get home put one can next to the ice-chamber in your refrigerator so you will have it ready the next time you want "whipped DARICRAFT." It should chill for at least 12 hours before whipping. Then—does it whip! Don't forget now—it's DARICRAFT evaporated milk.

NOW! Enjoying Our Favorite Oatmeal Brings Me Lovely Dishes, Too!

STUNNING PIECE OF TABLEWARE IN EVERY PREMIUM PACKAGE OF MOTHER'S OATS!

Your family will be proud of you for getting such beautiful high-quality dishes... and for serving such delicious, energy-boosting oatmeal. Mother's Oats is tops in flavor—for growth and stamina too, because oatmeal leads all natural cereals in body-building Protein and in "spark plug" Vitamin B₁. Get Mother's Premium Oats today.

Mother's Oats (PREMIUM PACKAGE)

No dish pan soap scum!

MARVENE SUDS puts soap to shame for washing dishes!

MARVENE SUDS conditions hardest water — as no soap ever could. Leaves no soapy film to streak and dull your dishes — or soap-ring to be scoured off your sink. No hardwater scum to clog drains. MARVENE washes your dishes for you — the modern, scientific way! Just swish — rinse — and your dishes dry sparkling clean without wiping.

MARVENE SUDS MAKES SOAP A "BACK NUMBER" TAKES THE DRUDGERY OUT OF CLEANING TASKS

Less effort to clean walls and woodwork—no rinsing necessary.
No soapy film to harshen wallens—they stay softer, fluffier, lovelier!
Kind to your hands—Marvene is marvelous for bubble baths.

MARVENE SUDS
LEAVES THE DIRT AWAY! ALSO SOFTENS HARDEST WATER!

Leaves no greasy soap scum..

**How women and girls
may get wanted relief
from functional periodic pain**

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1 Taken like a tonic, it should stimulate appetite, aid digestion,* thus help build resistance for the "time" to come.

2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardul. If it helps, you'll be glad you did.

Commercial Subjects Favorite of Students at Yoe High School

Approximately 225 students of Yoe High school are enrolled in commercial subjects. These subjects are bookkeeping, commercial law, occupations, salesmanship, business arithmetic,

typing and stenography.

The bookkeeping classes are working problems taken from actual business situations. They are learning how to handle losses from bad debts and depreciation expenses.

The students in commercial law are studying contracted relations with the many factors that must be considered before one can ascertain whether he has a valid contract or merely an agreement which cannot be enforced.

An introduction to business is given those students in the occupations class. The many and varied fields which they may follow in the business world are presented to them.

Salesmanship shows the student the importance of "helping the customer buy" rather than "selling him something."

THE CAMERON HERALD—7

Business Arithmetic is designed to equip the student to work bookkeeping problems and to give him a good working knowledge of math and how it is used in every-day business.

One-fourth of the typing students have passed the 30 words per minute mark, and a few are typing 40 and

50 words per minute. This week they are typing the second type of business letter that will be given them.

In stenography, the students are learning shorthand. They are taking dictation at 60 w.p.m. and are just beginning to transcribe on the typewriter.
